“

Unleashing the **Competence** of the  
**African Diaspora**, we build **Knowledge**  
and empower **Change in Africa.**

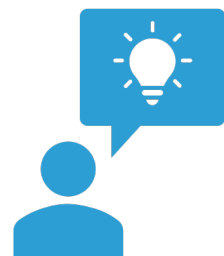

”

— Raffaella Gozzelino

# DIÁSPORA MUNDI

## Who are we?

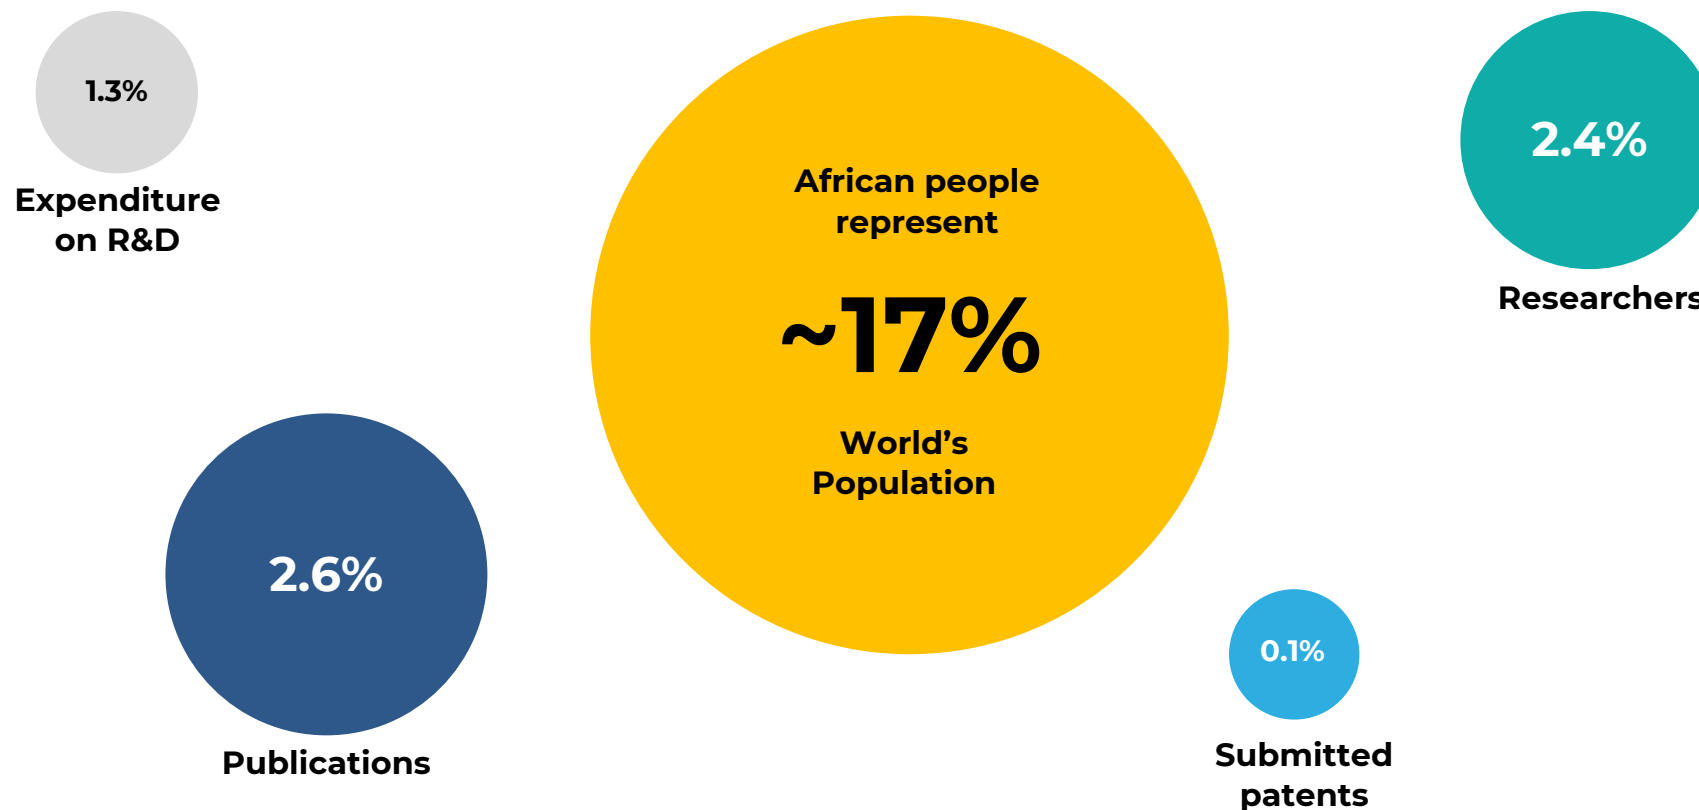

**DIÁSPORA MUNDI** is an international network of highly qualified professionals, unlocking the competence of the **African diaspora** to provide scientific services, promote customer excellence, identify hidden potential, and develop human capital. **DIÁSPORA MUNDI** connects individual, institutional, and corporate clients with unique expertise across all scientific areas.

# Science in Africa

**AFRICA** faces a serious research gap.

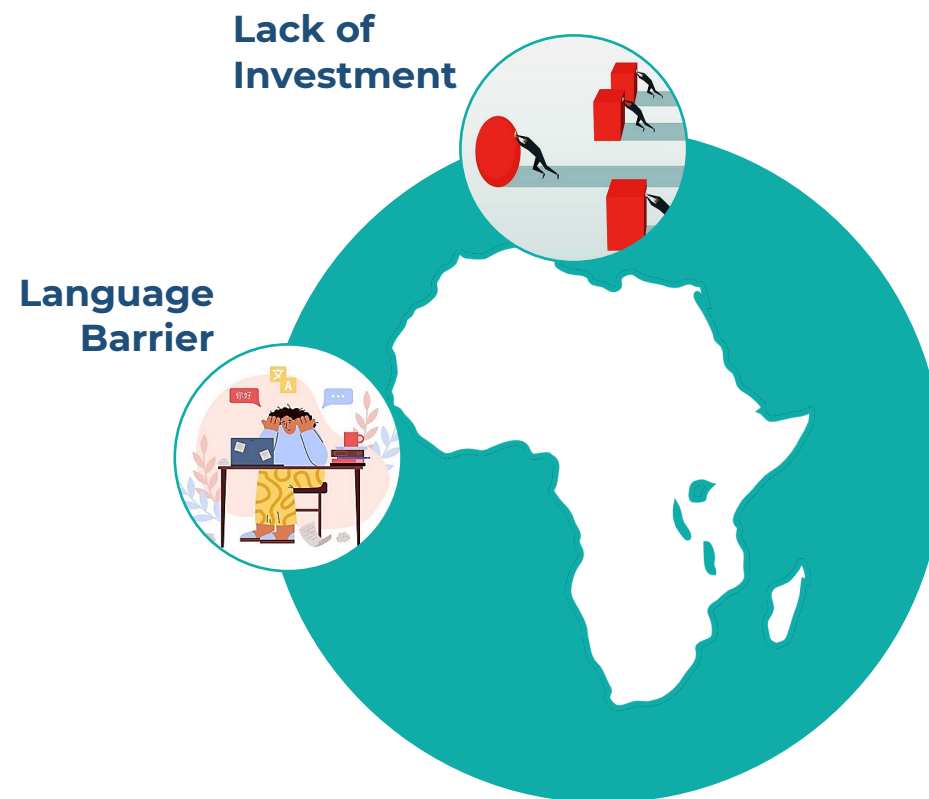

Limited expertise and resources enhance the inequality in knowledge production.

# Limitations and Barriers

**Lack of Investment** in education, science and technology hinders scientific progress, inhibits data-driven decision-making, and prevents global market competition in Africa.

**Language Barrier** poses a significant obstacle to research and scientific inquiries in non-English speaking African countries.

# Solutions and Outcomes

Leading the way to inspire innovation, drive transformation, and empower leadership, **DIÁSPORA MUNDI** maximizes scientific impact and guides data-driven decision making.

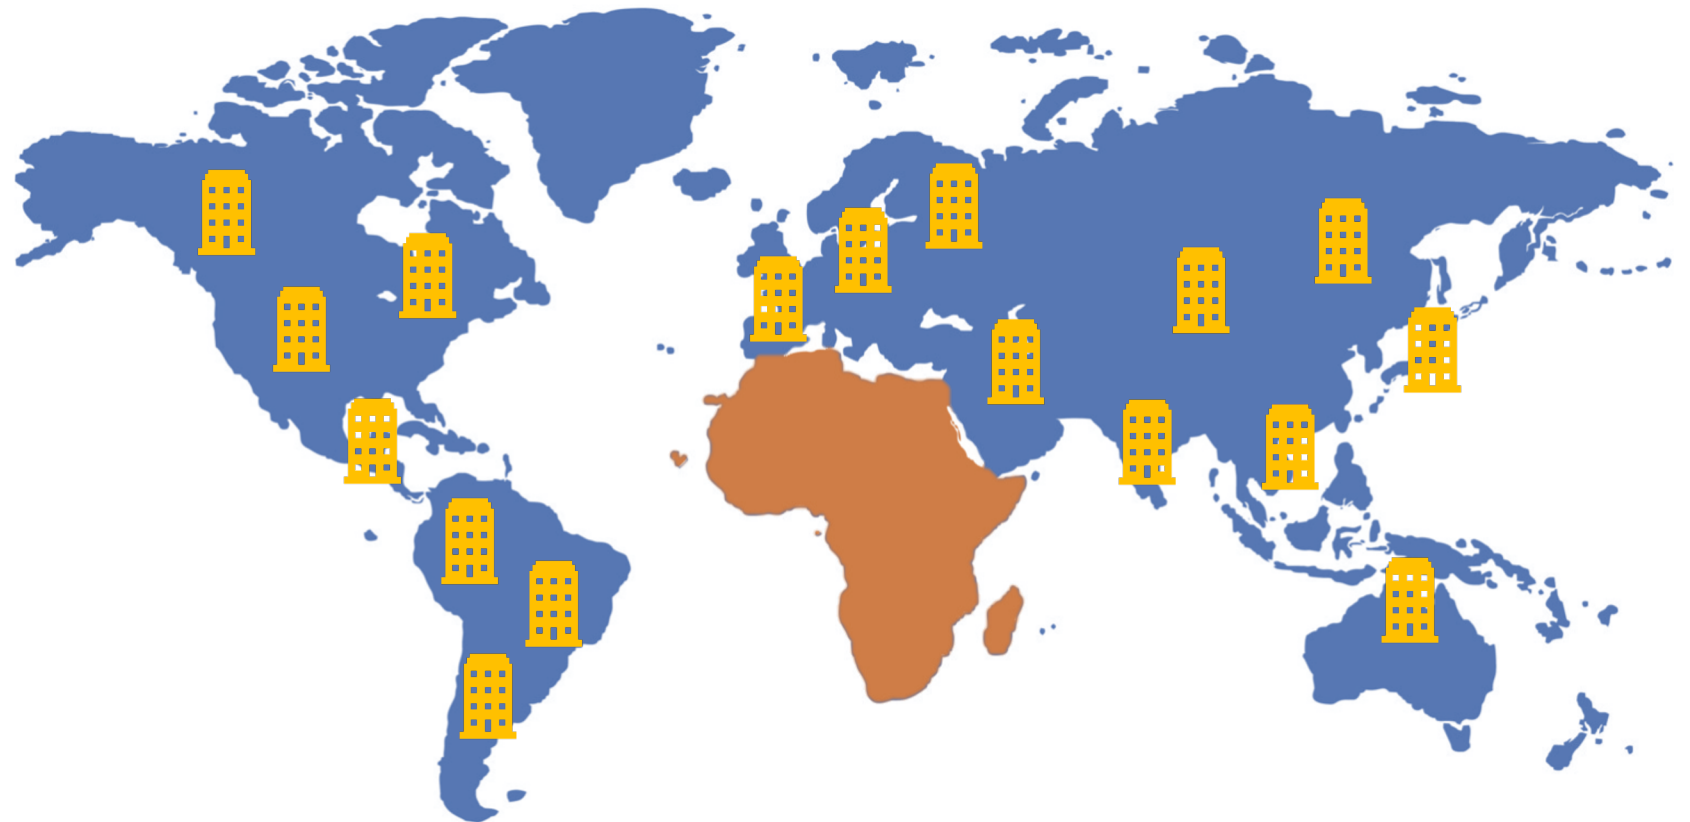

**DIÁSPORA MUNDI** accelerates scientific advancements by fostering knowledge transfer and developing human capital. With tailored **solutions**, **DIÁSPORA MUNDI** contributes to **African development** by building the quality of scientific outputs.

Market

**DIÁSPORA MUNDI** builds a creative environment by gathering highly qualified professionals from the African diaspora to leverage the scientific outputs of their countries of origin and drive transformative change.

**African Descendants  
Outside Africa**

“

Our **Mission** is to **Bridge** the gap  
between **You** and the **World** by  
unlocking the power of **Science** to  
embrace endless possibilities

”

— Raffaella Gozzelino
